AUDUBON MACHINERY ANNOUNCES CERTIFICATION AS A VETERAN OWNED SMALL BUSINESS

Audubon Machinery Corporation [AMC] is proud to announce that it is now certified as a *Veteran Owned Small Business*. AMC hopes to become involved in more veteran set-aside projects through the many products and services they have to offer from their four divisions.

AMC is a manufacturer of oxygen generating systems for industrial and medical applications [OGSI]; cage and rackwashing equipment for life sciences research [SMC]; solar panels and wind turbines [Starboard Sun]; and calibration and test equipment for solar panel manufacturers and installers for [IMT Solar] for power generation applications.

Audubon Machinery Corporation is a diversified manufacturing company with its headquarters and production facility located in North Tonawanda, NY. Its 42,000 ft² building was the first factory in New York State to be given a "Green Building" Certification by the USGBC (United States Green Building Council) in 2007.
